

Proxy Profiles

Please find below details of the two employees of Lufthansa Group who will be exercising the voting rights on your behalf as per your instructions if you have issued a proxy.

Stefan Küper

Stefan Küper is Head of Legal & Compliance at Lufthansa AirPlus Servicekarten GmbH, Neu-Isenburg, since February 2016.

Starting in 2007 until January 2016, he has been employed in the Group's Legal department in Frankfurt, in charge for banking and capital market law since 2008. Within the scope of his activity, he was specifically responsible for the legal support in financing and capital market issues as well as for juridical questions regarding the general meeting.

Stefan Küper studied law at the Universities of Saarbrücken and Mainz. Since 2007, Stefan Küper is admitted as lawyer in the bar association Frankfurt.

Mario Ramspeck

Mario Ramspeck is a technical employee at Lufthansa Technik AG (LHT) in Hamburg.

He has been employed in the Office of Airworthiness at LHT in Hamburg since August 2000, working as project manager there. Within the scope of his activity, he is responsible for the registration of VIP aircraft in collaboration with international authorities, like EASA and FAA.

In 1981, Mario Ramspeck commenced his technical training at Deutsche Lufthansa AG, followed by a course of studies as graduate engineer. From 1999 to 2000, he was deployed as coordinator in the area of customer care.

Mario Ramspeck studied electrical engineering and automation systems at the University of Applied Sciences Hamburg.
