The Annual General Meeting of Deutsche Lufthansa Aktiengesellschaft resolved on 5 May 2020 under item 7 of the agenda to cancel the authorisation of the Executive Board to issue convertible bonds, option bonds, profit participation rights or participating bonds (or combinations of these instruments), as decided under item 7 of the agenda at the Annual General Meeting of 28 April 2016 and the associated conditional capital in accordance with Section 4 Paragraph 4 of the Articles of Association.

At the same time, the Annual General Meeting resolved on 5 May 2020 under item 7 of the agenda to authorise the Executive Board, with the approval of the Supervisory Board until 4 May 2025, to issue new no-par value registered convertible bonds, option bonds, profit participation rights and/or participating bonds (or combinations of these instruments) (collectively "bonds") for a total nominal value of up to EUR 1,500,000,000 and to grant conversion and/or option rights to new registered Company shares to the holders or creditors of the bonds mentioned above with a pro-rata amount of issued capital of up to EUR 122,417,728. However, the Executive Board is authorised, with the approval of the Supervisory Board, to exclude shareholder subscription rights in the cases specified in the authorisation. The resolution will be entered in the Commercial Register of Cologne District Court (HRB 2168).

To service the conversion and/or option rights from the bonds, the Annual General Meeting simultaneously increased the Company's conditional capital by up to EUR 122,417,728 by issuing up to 47,819,425 new registered shares.

The resolution has not yet been entered in the Commercial Register.
