

Terms and conditions of use for the Online Service for shareholders of Deutsche Lufthansa Aktiengesellschaft

1. Scope

These terms of use apply for all shareholders of Deutsche Lufthansa Aktiengesellschaft („Lufthansa“) and their authorised third parties using the Online Service at www.lufthansagroup.com/agm-service. This includes, inter alia, registration for the e-mail delivery of the invitation to the Annual General Meeting, registration for the Annual General Meeting, exercising the right to vote or ask questions as well as the use of video communication for connected shareholders via the Online Service.

2. Technical information

To use the Online Service with all its functionalities (e.g. login, password reassignment or speaking contributions via video communication), please use the latest operating systems and the latest version of browsers. Older versions of browsers or operating systems may not be fully supported.

When connecting electronically via video, please ensure that you have a stable WLAN connection or connect your end device to your Internet access via a LAN cable. For best results, we recommend Google Chrome or Microsoft Edge as well as Safari on mobile IOS devices.

3. E-Mail Delivery

3.1. Registration for and participation in e-mail delivery

Via the Online Service you can register for the e-mail delivery of the invitation to the Annual General Meeting.

If you successfully complete your registration no later than seven weeks prior to an Annual General Meeting, the invitation to that Annual General Meeting will be delivered to your registered e-mail address. Registrations that are not completed by this deadline will not take effect until the subsequent Annual General Meeting.

Please let us know if you have not received your invitation to the Annual General Meeting via e-mail, even though you registered for this in good time. In this case, please contact our Hotline on +49 (0) 69 696 28008, Monday to Friday from 09:00 hrs to 17:00 hrs.

3.2. Providing registration data

E-mail address

Please enter an e-mail address that you use regularly. If we receive technical feedback after sending the invitation to the Annual General Meeting that the e-mail was not delivered, we will send you the invitation by mail. Each shareholder is responsible for ensuring that the address provided is functional and that incoming e-mails are read. Should your e-mail address change, please change it directly via the Online Service.

Access password

For e-mail delivery of the invitation to the Annual General Meeting you must determine a personal access password. Please keep this safe from access by third parties. In future, it can be used not only to amend your registration details but also to use the Online Service for shareholders of Lufthansa.

3.3. Amending your registration details

The Online Service for shareholders is available throughout the year at www.lufthansagroup.com/agm-service. Via the Online Service you can change your e-mail address and your access password.

3.4. Withdrawal of your consent

You can withdraw your consent to e-mail delivery of the invitation to the Annual General Meeting via the Online Service at any time.

Alternatively, you can address your objection by email to hv-service.dlh@adeus.de.

You will then receive the invitation by mail again. However, if withdrawal takes place after the technical preparations for sending out the invitations to the Annual General Meeting have already started, we can only take your withdrawal in account for the subsequent Annual General Meeting. In this case, we will endeavour to also send you the invitation to the Annual General Meeting by mail.

3.5. Disposal of your shares

If you have disposed all your Lufthansa shares between two Annual General Meetings at any time and then acquire Lufthansa shares again up to approximately seven weeks before the next Annual General Meeting of Lufthansa, the consent you provided to participate in the e-mail delivery of the invitation to the Annual General Meeting will continue to apply.

Around seven weeks before each Annual General Meeting, we determine for which of the persons registered for e-mail delivery shares are listed in the share register of Lufthansa in order to prepare the dispatch of the invitations. If at this point no shares in the share register are registered under your name, your consent is cancelled automatically. If you subsequently acquire Lufthansa shares you will receive the invitation to the Annual General Meetings by mail unless you re-register for e-mail delivery.

4. Registering for the Annual General Meeting and exercising voting rights

4.1. Online registration for the General Meeting

Registration for the Annual General Meeting via the Online Service is possible up to the end of the registration period. The end of the registration period is mentioned in the invitation to the Annual General Meetings.

If you have received several invitations with different shareholder IDs, please register online for the Annual General Meeting separately for each of these shareholder IDs.

We recommend that you make early use of the Online Service to register for the Annual General Meeting so that in the event of any technical problems you can still register by mail or e-mail in good time before the end of the registration period.

4.2. Voting via the online absentee voting system

In the Online Service you can cast your votes via online absentee vote.

If you have cast your votes via absentee vote in time by the end of the registration period, you can still change the cast absentee votes until the time determined by the chairman of the meeting during the Annual General Meeting via the Online Service. This also applies if you have cast absentee votes in good time outside the Online Service. The chairman of the meeting will point this out in good time.

4.3. Authorisation of the voting representatives appointed by Lufthansa to vote on your behalf

You can authorise the voting representatives appointed by Lufthansa to vote on your behalf via the Online Service.

The authorised persons appointed by Lufthansa to vote on your behalf are neutral and exercise the right to vote solely on the basis of the instructions given by you. If an individual vote takes place on an agenda item (e.g. discharge of the members of the supervisory board) an instruction granted for each individual sub-point applies.

Please note that the voting representatives appointed by Lufthansa to vote on your behalf do not accept instructions to make speaking contributions, to lodge objections to resolutions of the Annual General Meeting, to ask questions or to file motions.

The voting representatives appointed to vote on your behalf represent you anonymously, i.e. without giving your name.

If you authorise the voting representatives appointed to vote on your behalf in good time before the end of the registration period, you can still amend the instructions given to the voting representatives appointed to vote on your behalf until the time determined by the chairman of the meeting during the Annual General Meeting via the Online Service. The chairman of the meeting will point this out in good time.

4.4. Authorisation of intermediaries, shareholders' associations and proxy advisors via the Online Service

In the Online Service you can only authorise intermediaries, shareholders' associations and proxy advisors participating in the Online Service.

If you authorise an intermediary, shareholders' association or proxy advisor participating in the Online Service in good time before the registration deadline, you can still change the instructions issued to the intermediary / shareholders' association / proxy advisor via the Online Service until the time determined by the chairman of the meeting during the Annual General Meeting. The chairman of the meeting will point this out in good time.

Please note that many credit institutions are no longer prepared to represent voting rights for shareholders.

To authorise a credit institution or a shareholders' association outside the Online Service we will send you an authorisation form on request. For this, please contact our Hotline on +49 (0) 69 696 28008, by e-mail at hv-service.dlh@adeus.de or in writing at Deutsche Lufthansa Aktiengesellschaft, c/o ADEUS Aktienregister-Service-GmbH, 20797 Hamburg.

The authorised intermediary, shareholders' association respectively proxy advisor is exclusively responsible for exercising the voting right.

4.5. Authorisation of a third party

You can also authorise third parties who are not intermediaries via the Online Service. Once you have registered in good time, you can issue or change and revoke your authorisation as well as select another option for exercising your voting right up to the time determined by the chairman of the meeting during the Annual General Meeting. To use the Online Service, own access data will be sent to the authorised third parties. The authorisation should therefore be given as early as possible in order to enable timely access to the login data by the third party.

5. Associations of persons / legal entities

Please note that in the case of associations of persons (e.g. married couples, communities of heirs), partnerships or legal entities entered in the share register, the person carrying out registering or amending the registration details, casting absentee votes, authorising the persons appointed to vote on their behalf or intermediaries, shareholders' associations or proxy advisors participating in the Online Service as well as giving or amending instructions, must be authorised to do so by all members of the association of persons, respectively the partnership / legal entity, or have the necessary legal power to represent the association of persons / legal entity. As a user of the Online Service, you confirm to Lufthansa that you are authorised in the required manner.

6. Live transmission of the General Meeting

The entire Annual General Meeting will be broadcast live in sound and vision for shareholders of Lufthansa and their authorised third parties on the Internet via the Online Service from the beginning of the meeting (www.lufthansagroup.com/agm-service). You can obtain online access by entering your shareholder ID and your access code or the password selected by yourself. Please find your shareholder ID and your access code in the materials sent to you. If you no longer know your access code or have

not yet assigned one, please request a temporarily valid access code via the Online Service. After receiving the temporarily valid access code, you can assign a permanently valid personal access code to use the Online Service.

7. Statements

Shareholders who have duly registered may submit statements on the items on the agenda by electronic communication prior to the Annual General Meeting outside the Online Service. Statements to be made accessible will be published, including the name and place of residence or registered office of the submitting party, in the Online Service for duly registered shareholders and their proxies. Any statements by the management will also be published in the Online Service. Please also note the relevant information in the invitation.

8. Video communication (Request for information, proposals, right to speak)

Shareholders who have duly registered may request information from the Executive Board on the affairs of the Company, the legal and business relations of the Company with affiliated companies, and the situation of the Group and the companies included in the consolidated financial statements, to the extent that such information is necessary to permit a proper evaluation of an item on the agenda. It is intended that the chairman of the meeting will stipulate that the right to information can only be exercised at the Annual General Meeting by means of video communication via the Online Service. Upon request by the chairman of the meeting, speaking contributions must be registered via the Online Service during the Annual General Meeting. The chairman of the meeting will explain in more detail the procedure for requesting to speak and speaking at the Annual General Meeting. After your name has been called by the chairman of the meeting in preparation of your live speech via video communication, a dialog box for entering the virtual waiting room will be displayed for you. After a successful function test, you will be connected live to the Annual General Meeting as soon as the chairman of the meeting calls you by name.

The Company reserves the right to check the functionality of the video communication between the shareholder and the Company at the Annual General Meeting and prior to the speaking contribution and to reject the latter pursuant to Section 130a (6) AktG if the functionality is not ensured. The minimum technical requirements for a live video connection are therefore an internet-capable device with camera and microphone as well as a stable internet connection.

Please also note the corresponding information in the invitation.

The shareholders and their proxies who have duly registered for the Annual General Meeting and who are electronically connected to the meeting have the right to declare their objection to resolutions of the Annual General Meeting by way of electronic communication via the Online Service for the record of the notary public.
