### **Harry Hohmeister**

Member of the Executive Board  
of Deutsche Lufthansa AG

Harry Hohmeister, who was born on 19 April 1964, has been Member of the Executive Board of Deutsche Lufthansa AG since July 2013. He heads the Hub Management division of the Lufthansa Group since January 2016.

Harry Hohmeister has spent the bulk of his professional career with the Lufthansa Group, which he initially joined in 1985. Over the following 14-plus years he held a number of management positions, beginning with responsibility for European fleet and schedule planning and development and later helping to reorganize the company's distribution and marketing division as part of a broader corporate restructuring. He further went on to serve as Vice President Network Planning. He subsequently joined Thomas Cook Airlines, where he had held various executive management functions in Germany, Belgium and the UK over the previous five years. Harry Hohmeister then joined the Management Board of Swiss International Air Lines AG as Head of Network & Alliance Management in 2005. He later also assumed overall charge of the company's global distribution activities. In 2009 he was appointed CEO of Swiss International Air Lines AG and took this position until 31 December 2015 in addition to his responsibility for Group Airlines, Logistic and IT in the Lufthansa Group as Member of the Executive Board.

Harry Hohmeister is member of the Board of Directors of SWISS International Air Lines AG and Chairman of the Austrian Airlines and Lufthansa Cargo AG Supervisory Board. He is also a Member of the Board of Governors of the International Air Transport Association (IATA), the air transport industry's umbrella organization, since 2009, and heads its Audit Committee since 2011. Since December 2012 he is member of the Board of Directors of SN Airholding SA/NV and since April 2014 member of the Board of Directors of Sun Express.

Harry Hohmeister holds a diploma in commercial air transport.
