No part of the Information should form the basis of, or be relied on in connection with, any contract or commitment or investment decision whatsoever. You are solely responsible for seeking independent professional advice in relation to the Information and any action taken on the basis of the Information. Statements in the Information and Presentation, including those regarding the possible or assumed future or other performance of the Company and its affiliates or its industry or other trend projections, constitute forward-looking statements. These statements reflect the Company's current knowledge and expectations and projections about future events and may be identified by the context of such statements or words such as "anticipate", "believe", "could", "expect", "intend", "may", "project", "should", "will", "would", "target" or similar terminology. Actual results, performance, or events may differ materially from those in such statements. By their nature, forward-looking statements involve known and unknown risks, uncertainties, assumptions and other factors because they relate to events and depend on circumstances that will occur in the future whether or not outside the control of the Company. Such factors may cause actual results, performance or developments to different that such forward-looking statements. By the date of this Presentation and the Company and Group undertake no obligation to update these forward-looking statements.

Financial information of the Company or the Group as of and for the six-month period ended June 30, 2024 included in this Presentation is unaudited. The addition of the totals presented may result in rounding differences. In addition to figures prepared in accordance with International Financial Reporting Standards as adopted by the European Union ("IFRS"), this Presentation also includes certain non-GAAP measures. Hose non-GAAP measures have been included because we believe that investors may find them helpful to measure our performance as reported under the relevant IFRS measures. However, these non-GAAP measures should be considered only in addition to, but not in isolation or as a substitute for, the information prepared in accordance with IFRS. Non-GAAP financial performance measures are not substitute for, the information prepared in accordance with IFRS or the German Commercial Code (Handelsgesetzbuch) and German generally accepted accounting principles, and are therefore considered non-IFRS measures. The Group believes that such non-IFRS measures, when considered in conjunction with (but not in lieu of) other measures that are computed in accordance with IFRS, may enhance the understanding of its financial performance by excluding items that are not classified as part of its ongoing operations. However, non-IFRS measures have important limitations as analytical tools and should not be considered in isolation, or as substitutes for, the analysis of the Group's results of operations, financial position, and cash flows as reported under IFRS. The non-IFRS measures used by other companies.

The Information is not, and should not be construed as, a prospectus, is not intended for potential investors and does not constitute or form part of, and should not be construed as an offer or the solicitation of an offer to subscribe for or purchase securities of the Company, and nothing contained therein shall form the basis of or be relied on in connection with any contract or commitment whatsoever, in particular, it must not be used in making any investment decision. In member states of the European Economic Area ("EEA") and the United Kingdom, the Information is only addressed to and directed at persons who are qualified investors within the meaning of Article 2(e) of the Prospectus Regulation (EU) 2017/1129, as amended ("Qualified Investors"). In addition, in the UK, the Information is addressed to and directed only at, and should only be relied on by, Qualified Investors who are persons who have professional experience in matters relating to investments falling within Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005, as amended (the "Order"), and persons who are high net worth entities falling within Article 49(2)(a) to (d) of the Order or are persons to whom it may otherwise be lawful to communicate it to (all such persons being referred to as "relevant persons"). # Passenger Airlines: Inefficiencies at Lufthansa Airlines prevent the Group from fully exploiting its fix cost leverage

#### Comments

- Strong capacity increase by around 11% relative to prior year
- Yields decrease by 3.7% year-on-year due to market-wide capacity increases and changes in demand patterns
- RASK suffers also from a lower seat load factor compared to prior year
- CASK profits from improved fixed-cost leverage due to capacity increase
- LHA result impacted by inefficiencies

<sup>1)</sup> Excluding fuel and emission costs

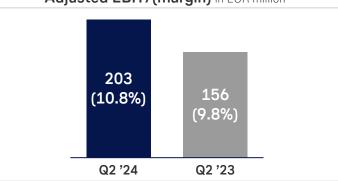

# Passenger Airlines segment could not benefit from increased demand and revenues since they were offset by lower yields and strike impacts

Q2 2024 Performance	ASK vs. 2019	Revenue [m EUR]	Adj. EBIT [m EUR]	Adj. EBIT margin
Lufthansa Airlines	86.5%	4,514	213	4.7%

Eurowings	118.6%	829	50	6.0%
Passenger Airlines	91.4%	8,017	581	7.2%

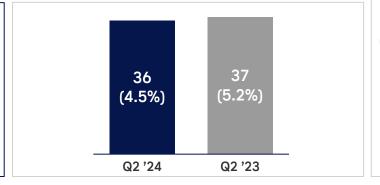

## Lufthansa Technik result is record high – Lufthansa Cargo is back on track

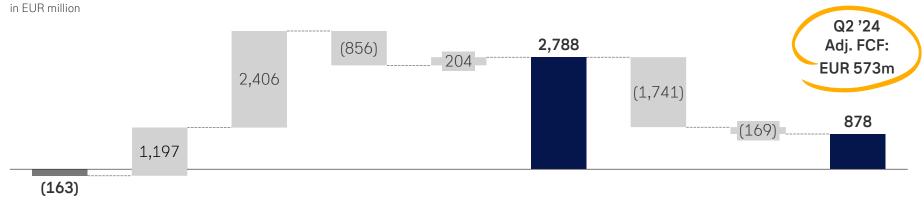

#### **Comments**

- Record results for Lufthansa Technik strong demand for MRO services offsetting supply chain disruptions and cost inflation
- Cargo profits on same level as prior year – market normalization continuing, with yields staying on a high level and volumes slightly up
- Other segments and group functions with EUR -78 m Adjusted EBIT contribution, previous year figure at EUR -82 m

## Free cash flow in the first half of 2024 was driven by strong incoming bookings for the summer and CAPEX shift

## **Investment in ITA Airways**

Operational and Financial Outlook

Appendix

Attractive transaction rationale for LHG: ITA as a company, Italy as a market, and Rome FCO as a 5 Star hub

## LHG

Attractive investment case, broader access to Italian market and resources

Newly established company with cost-efficient resources

## Italy

## **Rome FCO**

One of
Europe's best hubs
regarding quality,
cost and capacity
for growth

## Transaction terms minimize the Group's financial risk and create optionality

#### **Key terms**

- Acquisition of 41% of shares in ITA Airways through a capital increase
  - Investment into the company's equity, no payment to Italian Ministry of Economy and Finance (MEF)
  - Capital increase of EUR 325 million fully financed from available cash-on-hand
  - MEF commits to EUR 250 million cash injection
  - Transaction expected to close by year-end 2024

#### Governance

- Transaction structure provides for joint operational control by Lufthansa Group and MEF immediately after closing
- MEF remains on board to support the execution of the business plan
- ITA's CEO and one other member of the Board of Directors (5 in total) will be appointed by Lufthansa Group

# Impact on Group

- **No consolidation of ITA** in Lufthansa Group's financial accounts
- No impact on credit rating expected

#### Clear path to complete takeover

- Option mechanism agreed to enable a full takeover by Lufthansa Group in the medium term
- Risk-based approach: Acquisition of remaining shares at the discretion of Lufthansa Group and/or dependent on financial performance relative to the jointly agreed business plan, reducing negative effects on the overall capital structure of Lufthansa Group as far as possible

# Remedy package addresses concerns of the European Commission while maintaining economic feasibility of the deal

	Concerns of EU Commission	Remedies
Short-Haul	Overlaps on 'neighborhood' traffic between Italy and existing LHG 'home markets' (DE, CH, AT, BE)	New competitor (short-haul remedy taker)  On 10 direct routes for 3 years (~3% of ITA's production in '23)  Connectivity to ITA's domestic network
Milan Linate	Strong position of ITA in LIN: joint slot holding of ~60%	Slot divestment of ~10% of LIN slots  ~200 slots/week
Long-Haul	Overlaps of ITA with LHG's JV Partners, especially in North America	New or improved (in)direct competition on 3 routes  ROM-WAS, -SFO, -YTO for 3 years  (~7% of ITA's intercont production in '23)

Competitors to commit prior to closing

# The ITA acquisition is an extension of our multi-hub, -brand and -AOC strategy that made Lufthansa Group Europe's leading airline group

#### **Customer centricity**

- ITA is a strong local brand with **maximum identification**
- New travel options for customers by offering connections via Rome

#### Internationalization

- Cultural enrichment supports LHG's vision of "Vielfalt"
- Access to further resources strengthens the Group's global competitiveness

#### **Growth potential**

- Additional ,home market' and important step in network expansion
- Alleviates future capacity restrictions in existing hubs

#### Operative stability through redundancies

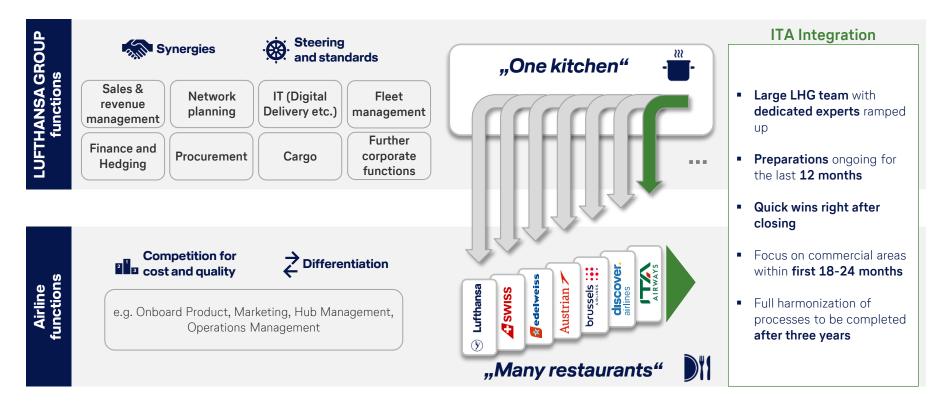

- Steering of traffic flows through another hub
- Increase of operational resilience thanks to a multitude of hubs

#### Geographic flexibility and leverage

- Rome as scalable 5\* hub providing growth prospects at favorable cost base
- Reduces dependency on single airports and offers access to the South

## Plug and Play system enables fast integration into Lufthansa Group

## Largest part of synergies can be implemented prior to full consolidation

### After full consolidation
